Competition Classes and rules:

- Standard class
- Open class

Competition will be conducted according to the rules for Slovenian national championships. Both classes will use handicaps based on DAeC handicap list. GNSS approved flight recorders are mandatory for flight verification. An alternative way to submit flights to the scoring office is via email.

Competition area will cover Slovenian, Italian and Austrian airspace. For flying in Austria an ELT is required. If you need more information about the use of ELT, please contact Andreja Kolar (andrej@naviter.si). Official turnpoints and Airspace files will be published on the competition website <http://www.soaringspot.com/djp2009> as soon as they are finalized.

Aerotowing will be used as the only launch method.

This is an FAI Category 2 competition.

Entry, registration and entry fee and towing

We kindly ask you to use the attached entry form and submit it to the Competition Director, Andrej Fijavž (andrej_fijavz@hotmail.com). The entry becomes final with the receipt of the Entry fee. Should the number of participants exceed the competition limit, members of the Aeronautical Association of Slovenia will have priority over non-members until 29 April 2009. After this date competitors will be accepted based on the date of payment of the entry fee.

The entry fee is **210 EUR** excluding aerotows. For members of Aeronautical Association of Slovenia the entry fee is reduced by 50 EUR if paid before 29 April 2009. For members of Aeronautical Association of Slovenia whose 25th birthday occurs in the calendar year 2009 or later, the entry fee is reduced by 100 EUR. For all later entrants, the entry fee is 210 EUR.

Normal release altitude for towing is 700m QFE. Price per 700m tow is 35 EUR.

Awards

First, second and third ranked pilots in the nationals receive medals from Aeronautical Association of Slovenia.

First, second and third ranked pilots in the overall classification receive trophies from the organiser.
