Bulletin No. 1
Michalkow, 9.01.2010

Looking out the window all we can see are tons of snow and freezing cold weather. Nevertheless we are more than happy to publish this invitation phrased by the Mayor of Ostrow Mr. Radoslaw Torzynski (student pilot). In addition to that we would like to share some useful information about the competition. We will do our best, take advantage of our previous experience to make your stay on our airfield as pleasant as possible. Additional information will be published in following bulletins. Please feel free to contact us if you have any questions.

We would like to introduce and recommend a DVD containing 105 minutes long reportage from the 2009 competition in Ostrow, pictures and movies taken from the ground and the air, competition progress and interviews with the competitors, lots of interesting shots and soaring informations. This DVD clearly shows the atmosphere, introduces our club and people who share the passion of gliding.

The DVD can be purchased here: www.esporttv.pl

19th Ostrow Gliding Cup

Dear Sir or Madam,

It is a real pleasure to invite each and every one of you to join the gliding competitions:

19th Ostrow Gliding Cup

1st International Women's Gliding Championships of 4 Nations

The Ostrow competition has already developed to a traditional event for the best polish glider pilots.

I am inviting you not only as the mayor of Ostrow, the town hosting the competition, but also as a glider pilot. Soaring is a beautiful sport. I have always been dreaming of flying and my dreams came true this year. I finished the basic course and hold a solo endorsement. My real flying journey is about to begin.

I am more than happy to be able to meet all of you in Michalkow, watch you competing and learn from you.

Best regards and ... see you on the field

Radosław Torzyński

Mayor of Town of Ostrow Wielkopolski
