Competition Classes

- 18 meters Class
- Open Class
- 20 meters Multi-Seat Class

In each classes (including the 20 meters Multi-Seat class) we accept two entries per NAC. The total number of competitors for all classes shall be 50 (not including the reigning champions in the appropriate classes).

In addition to individual performances, a Team Cup will also be awarded according to the provisions of Section 8.5 in SC3A.

Entry and Qualification Rules

Application for entry shall be accepted only on the official entry form, and accompanied by the entry fee and deposit in full. Incomplete entry forms or those containing inaccurate information will not be accepted. Officially signed and stamped entry forms shall be sent to the postal address of the Organizer. Entries will be accepted until the end of entry period. If the number of entries in a class will exceed the limit for the maximum number of entries (see Section Competition Classes), reduction of the number of entries will be done according to SC3A Appendix 4. Entry fees for the entries involved will be returned. In addition to official entry forms, pilots and Team Captains will be required to make an online registration with some reference data and a face photographs (ID picture). All further communication between the Organizer and the Competitors will be performed through the nominated Team Captain.

Entering NAC is responsible that pilot fulfills all Sporting Code requirements for example those listed in SC3A, Part 3.2. If new Sporting Code will be published after publishing this Bulletin, the most recent Sporting Code will be in effect.
